

Dear

Thank you for your interest in attending the **GEOMIN Conference, being held 14–16 September 2026 in Tashkent, Uzbekistan.**

This conference is designed to advance mineral exploration through AI and digital transformation, bringing together mining companies, geoscience service providers, manufacturers, researchers, and academia from across the globe. We will discuss cutting-edge case studies as well as the latest technological breakthroughs in critical mineral discovery. The conference will provide a platform for robust discussions on super-regional resource integration and the sustainable development of critical minerals, fostering collaboration across the global mining and geoscience community.

Please consult the relevant Uzbekistan government authority (e.g., the nearest Uzbek embassy or consulate, or the official e-visa portal) for more details on the visa application process and requirements for your nationality. We understand that you will bear all expenses related to your visit. GEOMIN/SEG is not able to contact the embassy or any government agencies on your behalf; this is your responsibility.

We look forward to seeing you in Tashkent, Uzbekistan.

***Sincerely,
GEOMIN Conference Organizers***
